Dear Susan

We would just like to say a HUGE thank you for the very kind donation of £350 you sent us recently in lieu of your employees sending Christmas cards to clients and colleagues.

We really appreciate the time and effort that has gone into the raising of these funds and your consideration of supporting our Home-Start Scheme.

We will put this money towards supporting a local family with a home visiting volunteer, so once again thank you - it means so much to us to know that through such donations we are able to continue supporting families within our community.

I enclose a thank you notice that you may wish to display at your office.

Yours sincerely
