"Richard Booth acted on the sale of my property in Duxford. He provided a helpful and friendly service, responding promptly to any enquiries and giving us confidence that everything was in order."

Mrs E (Sawston) 2023

"Jack Stewart handled my purchase of a property in Cambridge in 2023. He was professional, helpful and approachable throughout. The purchase was conducted with meticulous attention to detail, and with a kind, guiding hand to make sure I was following the process correctly and understood the implication of each step. My queries were dealt with quickly by email or phone, and his communication with me was always clear and thorough. I felt in completely safe hands throughout the process, and he would be my first port of call in the future. I recommend both Jack and Adams Harrison without reservation."

Mr L (Saffron Walden) 2023

"Exceptional service from Adams Harrison. Cathy Buck was an excellent conveyancer. We got the keys to our dream house very soon, thanks to all her work. Communication was really good and she explained everything in detail. We were first time buyers and had no idea, but Cathy really made us feel confident that she was protecting our interests. Highly recommend."
