ADAMS HARRISON SOLICITORS

COMMERCIAL PROPERTY SERVICES

Buying, selling or leasing commercial property can be complex, which is why expert legal support is essential. Our commercial property team provides clear, practical and commercially focused legal advice tailored to your specific needs.

Commercial Property

How can we help you?

Commercial property transactions can be complex. Our experienced team is on hand to guide you through every stage, offering straightforward advice and regular updates so you always know where things stand.

You are always welcome to contact us by phone or visit any of our offices to speak to a member of the team.

What we do

If you instruct us to act on your commercial property matter, you will have access to an experienced and dedicated team focused on protecting your interests and keeping your transaction on track.

We act for business owners, landlords, tenants and investors, and support clients through all stages of their transaction from the moment terms are agreed through to completion.

We work closely with agents, lenders and other professionals to ensure the process runs as smoothly and efficiently as possible.

Why Adams Harrison

At Adams Harrison we believe our expertise, experience and attention to detail set us apart. We have been supporting individuals and businesses with their legal needs for over 180 years, and our Commercial Property Team continues to deliver the same high standards of service and care.

We understand the commercial realities behind property transactions and provide practical advice tailored to your objectives.

Fees

Our fees are tailored to the specific requirements of each transaction because we recognise that a one fee fits all approach does not always offer value for money. We are always happy to discuss a transaction and provide a no obligation costs estimate suited to your needs.

We're confident that we provide a service you can trust, built on strong relationships, clear communication and decades of experience supporting local businesses
